

***Friends of the Farm
EXPERIMENTAL FARM CLEAN UP***

Saturday May 14, 2016 at 9 a.m.

Gather behind Ravenwood House, Experimental Farm

Rain or Shine

The Friends of the Farm will have the fourth annual Farm Cleanup morning. Please come, bring family, friends or group for a pleasant walk around the Farm and pick up litter from the winter.

Garbage bags will be supplied courtesy of the Women's Institute Roadside Cleanup which is also on May 14.

Comfortable shoes/boots and a pair of gloves are all you need to come join in.

Your help and support of this project of the Friends of the Farm is appreciated. Contact information: Doug MacDonald demacondonald@pei.sympatico.ca, or norajenkins@pei.sympatico.ca

This year we are inviting neighbouring businesses and residents to join us in the Clean Up. All hands welcome as we will fill the bags with the debris from this messy winter.
