ANNUAL MEETING

&

Presentation of the Janice Simmonds Award

Tuesday, Nov 7, 2017 7 pm

FARM CENTER, 420 University Avenue

Special Speaker: **Bruce MacNaughton**

Please see a membership renewal form below. Memberships are an important support for the work of Friends of the Farm and for the Board to carry on the main activity, as it does, of advocating to the levels of government that the Farm be protected as a public green space. Other activities of the Friends of the Farm this year were the Clean up the Farm day in May, the crown garden, plaques for the Premier's Groove, memorial bench and another successful kite flying on October 15. Thanks to volunteers, participants and sponsors.

Please join us for our annual meeting. Your annual membership is received with thanks.
